LEADERSHIP GIVING FOR THE

FITZPATRICK

OF DERMATOLOGY

DERMATOLOGY FOUNDATION

The Officers and Trustees of the Dermatology Foundation recognize the generosity and commitment of the nearly 1,400 individuals honored in this membership recognition roster. Their leadership has infused more than \$3 million of the total \$3.3 million contributed by individuals in 2005 to enhance patient care through the career development of researchers and future leaders.

The Founders of the Dermatology Foundation were clearly focused on building the specialty's knowledge base so dermatologists could provide excellent clinical care. They also recognized that dermatologists needed to be first in line to help fund research since they had the most vested interest in its outcomes. The launch of the Leaders Society in 1989 and the Annenberg Circle in 1994 were a natural extension of this collegial call. In 2005, the founding of the Thomas B. Fitzpatrick Legacy Fund, honoring one of these DF Founders, is again a fitting step to ensure that we continue to grow. We greatly appreciate and salute the seven individuals who have made pledges of \$100,000 as part of this new opportunity.

Those listed on these pages are the specialty's most influential force in shaping the future of dermatology. They represent all aspects and demographics of dermatology, and as such, their example is one that more can follow and to which all should aspire: Giving generously because the future of medical and surgical dermatology is our business...our only business.

Sincerely,

Bruce U. Wintroub, M.D.
President, Dermatology Foundation

THOMAS B. FITZPATRICK LEGACY FUND

\$100,000 Pledge

Thomas B. Fitzpatrick, M.D., was one of 10 dermatologists who founded the Dermatology Foundation in 1964.

Dr. Eugene J. Van Scott, also a DF founder, established the Thomas B. Fitzpatrick Legacy Fund in 2005 in tribute to Dr. Fitzpatrick's long career of advancing dermatology and training today's and tomorrow's leaders in the specialty.

Each member of the Thomas B. Fitzpatrick Legacy Fund makes a \$100,000 pledge. The Dermatology Foundation gratefully acknowledges the first seven members here and welcomes their colleagues to join them in supporting the future of dermatology through their own membership.

DERMATOLOGY FOUNDATION

Shaping the Future of Dermatology

In addition to the Thomas B. Fitzpatrick Legacy Fund, Annenberg Circle, and Leaders Society levels of support, there are other opportunities for you to express your commitment to the future of dermatology. You may wish to discuss such options as a trust, life insurance policy or life income plans with an attorney who specializes in probate and estate planning. The Foundation staff is available to work with you, your financial planner or legal counsel on major and deferred giving options.
