Skin Cancer Complexities

3 Brothers Address Growing Needs

BROTHERS BRIAN HARRIS, MD, H. ROSS HARRIS, MD, AND KEITH HARRIS, MD, recognized the need for skin cancer care for the predominantly elderly populations in the retirement communities of Fort Myers and Naples, Florida. After establishing their clinics, they soon appreciated providing solutions to the growing complexity of skin cancer issues in older and elderly patients, and established a unique niche for their practices while better serving their community.

**The Dermatology Foundation is grateful
for the generosity of our 2023 donors.**

**Your donations this past year allow us to invest
in promising investigators pursuing innovative
research and new knowledge that ultimately
leads to the advancement of patient care.**

**Thank you for your contribution and advancing
discovery and the future of the specialty.**

**Annenberg Circle Sustaining
\$5,000 GIFT**

**The Foundation is grateful to the Sustainers of the
Annenberg Circle who continued their support with an
annual gift beyond their completed pledge of \$25,000.**

**Annenberg Circle
\$25,000 COMMITMENT**

**The DF is pleased to recognize members of the Annenberg Circle for their
commitment to progress and patient care. Each individual listed made a new
AC commitment this year or continued to invest in the future of dermatology.**
